Rib Crib Invites Families to Honor Dad June 19 – 21
Father's Day promotion features all-you-can-eat ribs and side items

Families who celebrate Father's Day at their local Rib Crib BBQ & Grill on June 21 will give Dad the gifts of good food and quality time. Dads and others also can enjoy all-you-can-eat ribs and side items all day on Father's Day Weekend (June 19-21).

"Father's Day and barbecue are synonymous, and you just can't have one without the other," said Bret Chandler, Rib Crib founder and CEO. "At Rib Crib, Dad can relax and enjoy his choice of hickory-smoked meat without slaving over it himself."

Known for its award-winning ribs, Rib Crib offers a variety of meats, salads, wraps, soups and sandwiches. Favorites include slow-smoked Pulled Pork and Rib Crib's Sliced Brisket, rubbed with the restaurant's secret spices. With a choice of two side items per entrée, Rib Crib is sure to satisfy Dad and the entire family.

With 43 locations in eight states, Rib Crib is open daily for lunch and dinner. Visit www.ribcrib.com for more information.
